

**CAPRICORN CAVES**  
**MINIMAL IMPACT GUIDELINES**

**CAVES**

- Entry to caves only permitted with a guide.
- Number of guests according to carrying capacity caves.
- Avoid impacting cave floors. Follow designated paths & board walks.
- Do not touch cave walls, decorations or tree roots.
- No cave decorations, flora or fauna to be removed from the caves.
- No writing or marking cave walls.
- No disturbance to bats with lights, loud noise or tours.
- No smoking, eating or drinking in the cave.
- Cave lighting to be placed to avoid lampen flora growth.
- All infrastructure to be constructed of suitable materials.
- Avoid maintenance work in cave that creates waste material or emissions from motors and tools.
- No fires or camping in caves.

**PROPERTY**

- No flora or fauna to be collected without permit.
- Visitors must follow designated paths and roads.
- No guest feeding of native animals.
- No fires to be lit outside designated fire pits or during total fire ban.
- No timber to be collected or sourced in forest.
- No chemical toilets to be emptied in amenities block.
- Rain water is our only source of water. Please use wisely.
- Switch off lights and air conditioners when not in use.
- Use the clothes line to dry clothes – not the drier.
- No smoking in the cabins or reception buildings.
- Please be mindful of your neighbours and enjoy the tranquillity.
- Cans, paper, plastic and glass are collected for recycling.
- No pets allowed.
